Dear Mr. Koppers:

Your support makes a real difference in a student's life

Thank you for your continued generosity and caring commitment to our students – the next generation of employees, employers, entrepreneurs and innovators.

Niagara College students are achieving their dreams with the help of donors like **Frans Koppers Imports Ltd.**, whose generous donations make a significant impact on students' learning experiences and academic success.

Donor support for bursaries and scholarships creates access to education for those who might otherwise not have the opportunity and acknowledges those students who work hard and excel. Receiving a bursary or scholarship provides students with a 'vote of confidence' that someone believes in them, giving them the motivation to work even harder to achieve more.

Your generous commitment through the **Frans Koppers Imports Ltd. Bursary** lightens students' financial burden and allows them to focus more on the most important aspect of school, learning.

We are pleased to enclose a financial summary of the Frans Koppers Imports Ltd. Bursary fund for the 2019-2020 academic year.

As Niagara College adapts to the changing educational landscape, we remain focused on student success, delivering high-quality, innovative programs and continuing to respond to the needs of our community.

Thank you for supporting our students and being a valued member of our Niagara College family.

With sincere gratitude,
